DECLARATION UNDER 37 C.F.R. § 1.131 OF KIM CAMERON

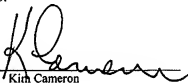

I, Kim Cameron, declare as follows:

1. On May 2, 2002, an email exchange took place between Andy Harjanto (the inventor of the invention disclosed in the subject application) and myself.
2. Exhibit A filed in the Amendment "E" and Response After Non-Final filed on December 26, 2007 by the applicant is a true and correct copy of this email exchange.
3. As a result of the e-mail, I encouraged Andy Harjanto to prepare a prototype of the invention disclosed in the email exchange.
4. Shortly after the email exchange, and prior to January 2, 2003, Andy Harjanto demonstrated a prototype of the invention disclosed in the email exchange.

5. I have reviewed claims 31, 37, 38 and 39 of the present application (application serial number 10/620,095) as currently presented. The prototype demonstrated included each of the elements recited in these claims.

6. I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

Dated this 10 day of May 2008.

Kirk Cameron
